INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
ZOE International

I have audited the accompanying consolidated financial statements of ZOE International (a nonprofit organization) and ZOE Foundation Australia (a nonprofit organization) which comprise the consolidated statements of financial position as of December 31, 2016 and 2015, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these consolidated financial statements based on my audits. I did not audit the financial statements of ZOE Foundation Australia, a related entity, which statements reflect total assets constituting 1.0% and 1.9% of consolidated total assets as of December 31, 2016 and 2015, respectively, and total support and revenues constituting 2.3% and 3.6% of consolidated total support and revenues, respectively, for the years then ended. Those statements were audited by other auditors, whose report has been furnished to me, and my opinion, insofar as it relates to the amounts included for ZOE Foundation Australia, is based solely on the report of the other auditors. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of

ROBERT STEPHENSON
An Accountancy Corporation

Board of Directors
ZOE International

the consolidated financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, based on my audits and the report of other auditors, the consolidated financial statements referred to above present fairly in all material respects, the financial position of ZOE International and ZOE Foundation Australia as of December 31, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

A handwritten signature in black ink, appearing to read "RST Stephenson", with a long horizontal flourish extending to the right.

ZOE International and ZOE Foundation Australia

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2016 and 2015

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

ZOE International ("ZOE") is a non-profit organization originally incorporated as ZOE in California on December 7, 2002. The ultimate goal of ZOE is to present the gospel of Jesus Christ to those who have never heard the story of Jesus, inviting them to a life transformation through Christ, and to demonstrate the gospel through the prevention, rescue, and restoration of children victimized by human trafficking worldwide.

On a micro level, ZOE mainly seeks to assist children at risk of human trafficking and children who have already been caught in the snare of slavery. On a macro level, ZOE seeks to help the whole of society shift from a mindset that turns a blind eye toward child trafficking to one that rejects and actively opposes the sexual and financial exploitation of children.

ZOE's vision is to help fulfill God's dream that every person on earth will know Him and possess eternal life through Jesus Christ; and that in lands where Christ is unknown, His love will be experienced, His kingdom will reign, His Church will be built, His disciples will multiply, and He will be glorified.

To that end, ZOE's primary objective is to rescue and protect destitute children from slavery. ZOE desires to provide a holistic answer to the question, "Who will embody the love, mercy, and good news of God to orphans and vulnerable children who have been enslaved or who are highly at risk of being enslaved?" ZOE believes God's heart is broken for these children because He is the "father to the fatherless" (Psalm 68:5). "The thief comes only to steal and kill and destroy; I [Jesus] have come that they may have life (Greek: zoe), and to have it to the full" (John 10:10). Those at ZOE derive great joy and peace, understanding that while the challenges surrounding trafficking issues are immense, God is greater than the evil and is able to overcome it. They desire that all of the world's children will be safe and aware of their worth as beloved creations of the almighty God.

In January 2007, ZOE International Foundation was formed as a nonprofit entity in Thailand. The primary purpose of the entity is to legally operate programs in Thailand, and achieve the objectives of the founding corporation based in the United States. ZOE International Foundation's board of directors has five members, of whom three serve as directors on ZOE's board as well.

In November of 2011, ZOE Foundation Australia, a nonprofit organization, was incorporated and domiciled in Australia. The primary purpose of the entity is to fund the deployment of human trafficking prevention programs and rescue operations in Thailand through the in-country partner, ZOE International Foundation. Additionally, ZOE Foundation Australia raises funds for ZOE children's home in Chiang Mai, Thailand which provides shelter and aftercare to orphans and children at risk of, and those who have been rescued from, human trafficking. ZOE Foundation Australia's board has five members, of whom two serve as directors on ZOE's board as well.

ZOE International and ZOE Foundation Australia

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2016 and 2015

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued

ZOE's Child Rescue program is on the cutting edge of prevention, intervention, and aftercare for child trafficking victims. Their multi-faceted strategy includes anti-trafficking education, food and medical provision, leadership training, self-sustainable agriculture, coordinating access to social services, and network-building. They partner with other organizations and area churches to provide food, shoes, and other needed items to vulnerable communities.

ZOE's Children's Homes enables their children to attend public or private schools and provides vocational training as well. In May 2017, ZOE received government authorization to confer official educational diplomas on students who matriculate from ZOE's Learning Center, greatly enhancing their access to better jobs. Life skills education is also part of the Children's Homes program. This includes learning basic agricultural, sewing, cooking, weaving, money handling, and marketplace skills.

ZOE's Transitional Home program supports ZOE young adults, 18 years and over, while they complete their high school education, vocational training, university degree, or obtain suitable employment. ZOE may even offer financial assistance to these young people.

ZOE's two-year Leadership Academy produces educated graduates with strong biblical literacy, an understanding of leadership and business principles, adequate command of English and Thai speech, and ability to articulate human trafficking issues, particularly with respect to the exploitation of children.

ZOE has an active Self-Sustainability program with dedicated agricultural staff on their 33-acre campus, including organic crop production, organic animal husbandry, fish farming, and water conservation. Approximately 12 acres of the campus produces crops including fruit, vegetables, herbs, spices, a mushroom farm, hothouse, and enough corn to feed 150 pigs. They have a composting facility, utilize natural pesticides and herbicides, and have a 1.5 million gallon capacity water reservoir. Their fish farm is estimated to produce 2,500-4,000 kilos of fish per year.

ZOE is constructing a Child Rescue Center in Thailand. The center is a 35,000 sq. ft. state-of-the-art facility covering 2.5 acres of their campus. It serves as a specialized site where representatives from law enforcement, government, and nongovernmental organizations work together to identify and serve victims of child trafficking, including sheltering rescued children.

In 2016, ZOE purchased a 50-acre parcel of land in Los Angeles County to construct a home for children who are survivors of human trafficking.

ZOE International and ZOE Foundation Australia

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2016 and 2015

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued

Significant Accounting Policies

Consolidation

The accounts, results of operations and cash flows of ZOE and ZOE International Foundation (collectively referred to as "ZOE") have been consolidated in these financial statements pursuant to FASB *Accounting Standards Codification 958 Not-for-Profit Entities*. Topic 958 dictates consolidation when one not-for-profit entity has both control over, and an economic interest in, another not-for-profit entity. Intercompany accounts and transactions have been eliminated in consolidation.

The financial statements consolidated the accounts, results of operations and cash flows of ZOE Foundation Australia with those of ZOE. ZOE has substantial economic interest in the activities of ZOE Foundation Australia ("ZFA"), benefitting from both financial resources and front line personnel. Topic 958 encourages consolidation when one organization has an economic interest, and control that does not result from a majority voting interest, as in the present relationship. Intercompany transactions have been eliminated in consolidation.

Foreign Currency Translation

Assets and liabilities of foreign operations, where the local currency is the functional currency, have been translated at year-end exchange rates and statement of activity accounts have been translated using weighted average yearly exchange rates, as permitted by Financial Accounting Standards Board in FASB *Accounting Standards Codification 830, Foreign Currency Matters*. Adjustments resulting from translation have been recorded as a component of unrestricted net assets.

Method of Accounting

The accompanying consolidated and combined financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in FASB *Accounting Standards Codification 958, Not-for-Profit Entities*. Under Topic 958, ZOE is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

ZOE International and ZOE Foundation Australia

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2016 and 2015

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued

Cash and Cash Equivalents

ZOE considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. At December 31, 2016 and 2015 there were no cash equivalents.

Property, Plant, and Equipment

Property, plant, and equipment purchases of \$1,000 or more are capitalized and depreciated on a straight-line basis over their estimated lives (3-30 years).

Expenditures for maintenance and repairs are charged directly to the appropriate operating account at the time the expense is incurred. Expenditures determined to represent additions and betterments are capitalized.

The cost of assets sold or retired and the related amount of accumulated depreciation are eliminated from the accounts in the year of sale or retirement. Any resulting profit or loss is reflected in the statement of activities.

Valuation of Long-Lived Assets

The valuation of long-lived assets is accounted for under the Financial Accounting Standards Board in FASB *Accounting Standards Codification 360, Property, Plant, and Equipment*. Topic 360 establishes standards for recognizing and measuring impairment of long-lived assets including property and equipment. Assets subject to the provisions of Topic 360 are reviewed for impairment and, if such impairment is identified, written down to their fair value. Identified impairment losses are charged to operations in the statement of activities.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions. All donor-restricted revenue is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction is satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. ZOE and ZFA have not received any contributions with donor-imposed restrictions that would result in permanently restricted net assets.

ZOE International and ZOE Foundation Australia

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2016 and 2015

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued

Expense Allocation

The costs of providing various programs and supporting services have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among program services, fund-raising, and management and general. ZOE and ZFA have adopted FASB *Accounting Standards Codification 958, Not-for-Profit Entities*. Their policy is to report all joint costs, as defined by Topic 958, as fundraising expenses.

Income Taxes

ZOE is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (per determination letter dated March 23, 2007) and state franchise taxes under California Section 23701d (per determination letter dated January 4, 2006). ZFA is exempt from Australian income tax under Division 50 of the Income Tax Assessment Act. ZOE and ZFA did not generate any unrelated business taxable income during the years ended December 31, 2015 and 2014, therefore there is no provision for income or franchise taxes in the accompanying consolidated and combined financial statements. The corporation is no longer subject to examination by the Internal Revenue Service for years ended before December 31, 2013 and the California Franchise Tax Board for years ended before December 31, 2012.

Use of Estimates

The preparation of consolidated and combined financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and contingent assets and liabilities (e.g., depreciation and potential impairments to fixed assets) at the date of the financial statements, and the reported amounts of revenues and expenses (e.g., the fair value of non-cash contributions received) during the reporting period. Actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through September 1, 2017, the date the financial statements were available to be issued.

Reclassification

Certain prior year amounts have been reclassified to conform to current year presentation.

ZOE International and ZOE Foundation Australia

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2016 and 2015

NOTE B - CONCENTRATION OF CREDIT RISK

ZOE and ZFA maintain most of their cash in commercial bank accounts in the United States, Australia and Thailand. The United States funds exceeded insured limits by \$1,172,668 as of December 31, 2016. ZOE holds a fixed deposit account earning interest at 1.60%, and maturing on September 20, 2019. The Thai deposits exceed insured limits by \$925,732 (33,187,493 baht), in addition to cash on hand. The organization has not experienced any losses in these foreign funds aside from those resulting from changes in the currency exchange rates. Funds in the Australian bank are not insured. ZOE and ZFA believe they are not exposed to any significant credit risk related to cash.

Cash consists of the following accounts:

	<u>2016</u>	<u>2015</u>
United States		
Checking accounts	\$1,204,729	\$1,133,159
Savings account	260,773	103,014
Undeposited funds and petty cash	53,936	16,219
Thailand		
Checking account	950,371	473,159
Savings account	1,481	6,786
Cash on hand	28,526	20,009
Australia		
Checking account	<u>65,323</u>	<u>77,996</u>
	\$2,565,139	\$1,830,342
	=====	=====

NOTE C - PROPERTY, PLANT, AND EQUIPMENT

Property, plant, and equipment consist of the following as of December 31:

	<u>2016</u>	<u>2015</u>
Land	\$ 1,182,382	\$ 586,707
Construction in progress	1,066,699	120,046
Buildings	1,712,944	1,574,425
Furniture and equipment	325,444	284,865
Vehicles	<u>264,898</u>	<u>201,098</u>
	4,552,367	2,767,141
Less accumulated depreciation	<u>(734,985)</u>	<u>(599,833)</u>
Property, plant, and equipment, net	\$ 3,817,382	\$ 2,167,308
	=====	=====

ZOE International and ZOE Foundation Australia

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2016 and 2015

NOTE D - LOANS PAYABLE DUE TO OFFICERS

Start up costs and initial operating expenses were financed primarily by advances from two officers of ZOE. The unpaid principal balance was due on demand when at their discretion and in good faith, they determine that ZOE is able to remit complete or partial payments. The amount at December 31, 2015 represented an interest-free payable; no interest has been paid since the inception of the loans. During 2016, the officers have forgiven these loans and they are included in unrestricted contributions.

NOTE E - CUMULATIVE CURRENCY TRANSLATION ADJUSTMENT

The cumulative foreign currency translation adjustment included in unrestricted net assets is shown as of December 31:

	<u>2016</u>	<u>2015</u>
Beginning cumulative translation		
adjustment losses	\$ (256,432)	\$ (18,691)
Foreign currency translation gain (loss)	<u>36,544</u>	<u>(237,741)</u>
Ending cumulative translation		
adjustment losses	<u>\$ (219,888)</u>	<u>\$ (256,432)</u>

NOTE F - NON-CASH CONTRIBUTIONS

ZOE receives clothing, medical supplies, equipment and other materials for use in its programs and fundraising efforts. Such non-cash contributions are recorded at their estimated fair market value at the date of donation.

ZOE is also the recipient of many hours of donated services from its supporters participating in short-term missions trips or performing general and administrative activities. The value of their contributed hours is not included in revenues since their services do not meet the Financial Accounting Standards Board criteria for recognition in *FASB Accounting Standards Codification 958, Not-for-Profit Entities*. However Topic 958 does require the recognition of specialized skills that would need to be purchased if they were not donated.

NOTE G - FEDERAL GRANT

ZOE is the recipient of a federal grant to enhance the quality and range of existing comprehensive recovery services for child trafficking victims in Thailand with a special focus on migrant populations and tribal communities. The grant will assist ZOE's efforts to provide physical security, as well as educational and vocational skills to reduce victim vulnerability to trafficking and re-trafficking. The grant will provide \$500,000 and ZOE will be responsible for another \$167,000 of project costs. The grant term ends September 30, 2017. There is \$246,913 of remaining grant funds available as of December 31, 2016.

ZOE International and ZOE Foundation Australia

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2016 and 2015

NOTE H - RELATED PARTY TRANSACTIONS

ZOE leases space on a month-to-month basis from The Tani Family Trust for use as an administrative office in Santa Clarita, California. ZOE's president and the wife of ZOE's vice president are both beneficiaries of the Trust, and the latter is the trustee. Office rent expense was \$28,800 in 2016 and 2015.

Manhattan Beach, California 90266
(310) 318-1592

INDEPENDENT AUDITOR'S REPORT ON SUPPLEMENTARY INFORMATION

To the Board of Directors
ZOE International

I have audited the consolidated financial statements of ZOE International and ZOE Foundation Australia, as of and for the years ended December 31, 2016 and 2015, and my report thereon dated September 1, 2017, which expressed an unmodified opinion on those financial statements, appears on page 3. My audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating information in Schedules I through IV are presented for purposes of additional analysis of the consolidated financial statements and it is not a required part of the consolidated financial statements. The Schedules V and VI of functional expenses are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the supplementary information, which insofar as it relates to ZOE Foundation Australia, is based on the report of other auditors, is fairly stated in all material respects in relation to the consolidated financial statements as a whole.
